EXPERIENCE SAXONY-ANHALT

UNESCO World Heritage in Dessau-Roßlau

The Bauhaus Dessau Foundation offers an enjoyable interactive experience in the Bauhaus building and the Dessau-Wörlitz Cultural Foundation provides guided tours for families in the castles and parks of the Garden Kingdom of Dessau-Wörlitz. The exhibition in the Auenhaus information center of the Middle Elbe Biosphere Reserve introduces visitors to the flora and fauna of the reserve and guided tours are also available.

Dessau-Roßlau offers a variety of opportunities for enjoyable family days out. There are plenty of experiences available in the city's many parks and the nearby countryside. One of the most beautiful places is the zoo, which lies at the heart of the UNESCO World Heritage site. Here visitors have the chance to see rare native species and also more exotic creatures, such as Ussuri brown bears, dromedaries and rheas. The swimming pools and lakes are the perfect places to enjoy a refreshing swim. A canoeing tour on the River Elbe in summer is also not to be missed. If the weather is not suitable for outdoor activities, the UCI-Kinowelt movie theater, the indoor play center and the climbing walls make an ideal alternative.
